Welcome to the future of Campion College: The Jonathan Stewart Library

Project designed by: Architect Bruce F. Lopez A.I.A., Synergy Design Studio Inc. in collaboration with Architect Louis N. Girvan R.A., Girvan & Associates Limited
Project Managers: Neustone Ltd. **Structural Engineers:** Peter Jervis & Associates

Bruce F. Lopez, LEED AP graduated from the University of Miami with a BA in Architecture and Fine Arts in 1996. Subsequent to gaining experience at two top international design firms in Miami, Bruce founded Synergy Design Studio in 2004. Synergy has since designed and produced a variety of high-end residential, commercial and hospitality projects, located in Florida and throughout the Caribbean. www.synergy-arch.com

Louis N Girvan R.A., a graduate of The University of Technology Jamaica, and the Ryerson Polytechnical Institute of Toronto Canada, has had an established architectural practice in Jamaica since 1982. His practice has to its credit a variety of outstanding residential, commercial and institutional buildings, successfully completed over the years.

Rise to the Challenge... Be a Champion.

“As the top high school in Jamaica, Champion nurtures the hearts and minds of the next generation of leaders. My son Jon (Class of '83) would have liked this association—he was a natural born leader. I hope that you will join us in making this library a reality. Together, we can do great things for the students at Champion, so that they may be able fulfil their potential and make a real difference in the world.”

The Hon. Gordon “Butch” Stewart, OJ Challenge Grant

Campion Hall alumnus, the Hon. Gordon “Butch” Stewart OJ and his family have issued a US\$350,000 challenge grant to inspire alumni, parents and friends to join them in their support of Campion College, and the construction of Jamaica’s first modern library media centre to be named the Jonathan Stewart Library, in honour of Mr. Stewart’s son. In order to receive this funding, the Vision 2020 Campaign of Campion College must raise US\$700,000 by December 31, 2010. We encourage the entire school family to take advantage of this once-in-a-generation opportunity to energise the education of some of Jamaica’s brightest children from all walks of life, who need and deserve a modern facility that better supports innovation in their learning environment.

Benefits to our Donors

In these tough economic times, your commitment to education is more important—and more appreciated—than ever. Every gift counts: each donation, individually and together with others, will help to ensure the success of this Campaign.

Cornerstone Donors: Donors of US\$50,000 or more will be invited to name one of the prominent areas within the Jonathan Stewart Library including: the Legacy Staircase; the Rotunda Foyer; the Magis Seminar Room; and the Café and Amphitheatre. In addition to this lifetime recognition, our Cornerstone Donors will be publicly honoured on the Donor’s Wall inside the new library and at the Grand Opening of the Library as well as in an individual profile in the school’s annual donor magazine, web site and email newsletter to alumni worldwide.

Leadership Donors: Donors of US\$20-49,999 will be invited to name one of a select number of study areas within the Jonathan Stewart Library and will be recognised on the Donor Wall in the new library and at the Grand Opening of the Library as well as in a feature story on donors in the school’s annual donor magazine, web site and email newsletter to alumni worldwide.

Major Donors: Donors of US\$10,000-19,999 will be publicly recognised on the Donor’s Wall in the new library as well as in a feature story on donors in the school’s annual donor magazine, web site and email newsletter to alumni worldwide.

Friends of Campion: Donors of US\$1,000-9,999 will be publicly recognised on the Donor’s Wall in the new centre as well as in the school’s annual donor magazine, web site and email newsletter to alumni worldwide.

In addition, all donors will receive a complimentary engraved brick in the Founder’s Walk leading to the St. Edmund Campion Courtyard outside of the new library. We also welcome and recognise gifts in kind such as new books, construction materials and services, interior furnishing, computers and other equipment—please contact us for our specifications in this regard.
