**SCHOLARSHIPS**

Recipients are decided on by the administration of the school. The scholarships are a combination of merit and need based, and are named by the sponsors, who sometimes choose to honour a group of students, a past student, a teacher or even a parent. At least 50 fee grants and scholarships are needed per year. Parents, alumni and friends of Campion are invited to support this Fund in order to make sure all our students have the best chance at success.
